1. We're saints of zi-on in lat-ter days, the gos-pel is re-stored,
2. We're sold-iers march-ing forth for Him, we'll stay the temp-ers hand,
3. That glor-ious day when Christ will come and cleanse the earth from sin,

As sons and daugh-ters of a King, our trum-pets sound with joy.
In Christ we'll find our vict-o-ry, and by His side we'll stand.
The stakes of zio'n will re-fuge, bring, her child-ren ga-ther in.

The an-gels with their voi-es raised, now sing with one a-ccord,
Now ris-ing up with strength and might we'll la-bor in His name
Then all the last will be made first, the lost of Is-rael found,

"His king-dom will in glo-ry reign, and ev-ery land re-joice".
And ca-rry forth the gos-pel's light, that all man-kind be saved.
And hosts of heav'n will fill the earth, our Lord for-e-ver crowned.
